Sunday Morning Worship

June 16, 2024

Preparing to Worship

“The goal of every Christian should be to grow in godliness, a goal which Paul keeps before us by mentioning *godliness* nine times in this first letter to Timothy. From the moment we are born again (an immediate, one-time event), we begin to progress in our sanctification (an ongoing process).

God uses means like the Scriptures, prayer, the church, and even trials to change our character from its natural, selfish condition to the image of Jesus Christ (Rom. 8:29; 2 Cor. 3:18; Col. 3:10). The same gospel that saves us from sin also changes us. We’ll not be sinless until we’re with Christ in heaven, but we’ll certainly be *sinning less* as we grow in godliness.” Chris Anderson

“Typically, sentimentality in one area leads to a corresponding brutality in another. For example, a civilization (if it can be called that) might grow indignant at the swift and painless killing of beasts but defend as unalienably right the butchery of partially-born infants. Predictably, when animals are elevated to near-human status, certain human beings will be demoted to the bestial.” Kevin Bauder

Mission Statement

EBC exists to glorify God through joyful worship, edification of believers, and the spread of the gospel of Jesus Christ throughout the world.
