Sunday Morning Worship

June 28, 2026

Preparing to Worship

The *saving power* of faith resides ... not in itself, but in the Almighty Saviour on whom it rests.... It is not faith that saves, but faith in Jesus Christ.... It is not, strictly speaking, even faith in Christ that saves, but Christ that saves through faith. The saving power resides exclusively, not in the act of faith or the attitude of faith or the nature of faith, but in the object of faith.... We could not more radically misconceive [the biblical representation of faith] than by transferring to faith even the smallest fraction of that saving energy which is attributed in the Scriptures solely to Christ himself. – Robert Reymond
